	Strongly disagree		4	1%	
	Total		572	100%	

To know the satisfaction of the students, concerning teaching and learning and facilities provided by the college, a survey was conducted through Google form. The IQAC used different rating scales for the various questions. We obtained maximum positive results, and received feedback from 572 students. The first question related to the syllabus 72% of the students said about the coverage of the syllabus. 92% said that the staff prepares ahead of the class. 79% of the students rated that the staff communicates well. 68% of them rated as very good and excellent on the approaches of teachers to the students. Concerning Internal Evaluation and Assignment, 83% of them rated as, usually and always fair. 70% Students said that the institute shows keen interest to promote internship as regularly and often, and 77% rated that it facilitates cognitive, social, and emotional growth. 83% of them rated that it also provides multiple opportunities to grow. 85% of the students expressed, that the staff informs the competencies, course, and programme outcome. 77% of the students expressed that the mentors take necessary follow-up with an assigned task every time and usually. 81% of the students agreed that the staff explains the concepts with illustrations and applications. 80% of the students expressed that the staff fully and reasonably encourages the students to face the challenges. 78% of them identify the weakness and help the students to overcome the issues. 80% of students strongly agree about monitoring, reviewing continuously on quality improvement of the teaching and learning process by the institution. 81% of the students to the great extent and moderately accepted that the Institution and the staff use students' centric methods for learning. 87% of the students uttered that they are allowed to take part in extracurricular activities. Concerning soft and life skills, 80% of them said that it was to the great extent and moderate level. To enhance the teaching with the help of ICT tools 66% of the students agreed that staff uses the LCD projectors; multimedia, etc. 83% of the students strongly agree and agree that the overall quality of teaching and learning is very good.

SUGGESTIONS

- Good to have Campus training, Fieldwork and also need to improve it.
- It is a green and hygienic Campus.
- Avail us with an adequate water facility.
- College ought to inculcate communication only in English among the students strictly. Staff should speak only in English.
- Need to Arrange a yoga class
- Avail Free Bus facility. Shift learning would be better
- Need to increase opportunity in sports.
- An experienced person could handle the final year students.

TEACHING

- All teaching staff are good.
- The friendly teachers are appreciable among the students.
- With the help of staff, the students must take seminars.
- The teacher could give some extra information about a topic and explore with a practical example that could sound well.
- Teaching should be bilingual and motivate the students to keep away from the stress level. The staff treats everyone equally.
- Smart boards used adequately. it is very much appreciable.

LEARNING

- We want more industrial visit.
- Inculcate the practice of self-learning
- Improve lab facilities for PG students to do their project works.
- Revealed and gained our inner talents..!
- Group discussion is must in the classroom
- The students learning experience is good.
- We need Competency-Based Learning
- Graphics and visual media to engage students well
- Teaching through Projector is very useful for the students
- Learnt Self management skills, self-discipline, and learned to use ICT tools too.
- Understood different methods of teaching.
- Seminars helped me to improve my knowledge.
