Honourable Chief Guest Dr. K. Angamuthu, Registrar, Periyar University, Respected Guest of Honour Mrs. D. Niranjana Muthusamy, Reverend Sisters of the Board of Management, Reverend Fathers and Brothers, Reverend Sisters, Respected Parents of our Students, Our loving Well Wishers and All members of the Gonzaga Family, it is my pleasure and privilege to present the Annual Report of Gonzaga College of Arts and Science for Women for the academic year 20132014 on the fifth College Day Celebrations. The celebration of the International Women's Day multiplies the joy of our gathering on this special day.

INTRODUCTION

Founded in the year 1775 about 240 years ago with the charism of dedicated services to the challenging situations of the marginalised women in Pondicherry (now known as Puducherry), the Congregation of the Franciscan Sisters of St. Aloysius Gonzaga (FSAG), established this College on 19th June 2009 with the noble motto "EDUCATE TO EMPOWER" with the broader vision of catering to the integral, integrated and holistic formation of the younger generations of women in this region.

Starting with 163 students, 9 teaching staff in five under graduate courses in June 2009, Gonzaga College of Arts and Science for Women has blossomed with 1417 students and 62 teaching staff in seven under graduate and three post graduate courses in March 2014. Within a short span of just five years, the marvellous progress of the College not merely in numbers but in quality and excellence as well.

AFFILIATION TO NEW COURSES / ADDITIONAL SECTIONS

In the present academic year 20132014, Gonzaga College is adorned with yet another post graduate course in M.Sc. Physics. The Periyar University has granted continuance of affiliation to B.Sc. Chemistry and the additional sections in English and Mathematics. We thank the Periyar University administration for the prompt response in facilitating effective achievements of our goals.

Since the establishment of the College, the Gonzaga Management has taken keen steps to provide excellent facilities for our staff and students. An aesthetic and peaceful environment is created with the ever green lawn; the fresh and colourful flowers in the garden, the neat and clean surrounding do provide a healthy environment leading to a calm and quiet atmosphere for academic excellence in our minds and hearts.

ACADEMIC FACILITIES / INFRA STRUCTURE

In this academic year, the Management has invested lavishly on academic facilities solely with the sole aim of promoting excellence leading to empowerment at all levels of the performance of the staff and students. The computer labs are equipped with appropriate systems and configurations; the Language lab has been updated to facilitate rapid and easy means of learning; the Physics lab has been established with proper required equipments to develop the knowledge and skill levels of students; the new Chemistry lab promotes enriched practical skills for the students; hundreds of texts and reference books have been added to the existing number of volumes in the Library.

All these infrastructure and academic facilities costing about 40.0 lakhs is a crystal clear indicator of the relentless enthusiasm and broad futuristic vision of the Management in the development of the College. The reality reveals the secret of the rapid progress of Gonzaga College within such a short span of the fifth year on the move by the generous contribution and enthusiastic participation of the Management Board presided by Rev. Mother A. Mary Stella, FSAG, the Superior General and the Team in collaboration with the Gonzaga College religious community through persevering encouragement and sustained solidarity. On behalf of every one present here, I express our deep appreciation to all the members of the Management Board.

I place on record the fact that the motherly concern and guidance of Rev. Sr. S. Ignatius, FSAG, Superior of Gonzaga Religious Community, the experienced and efficient guidance of Rev. Sr. C. Noel Rani, FSAG, Secretary of Gonzaga College, the strenuous and committed contributions of Rev. Sr. T. Agnes, FSAG, the Administrator of the College and the tireless and perfect coordination of Rev. Glitta Sumangali, FSAG, the Vice Principal of the College and other revered sisters of the FSAG in bringing up the Gonzaga College as the best institution and fruitful instrument for empowering women in our region.

CONCLUSION

Empowering Women through Education

"GONZAGA, THY NAME IS WOMEN EMPOWERMENT" is neither a dream nor a fiction but a reality; the goal, achievements and the history of the Gonzaga College of Arts and Science for women. The motto "Educate to Empower" is not mere words but a reality in the process of the challenging situations of women's world.

In the words of Kellie Wells, USA Indoor and outdoor hurdles champion, "If you think you can't, you won't, and if you think you can, you will. 'When I'm tired at practice, I tell myself that I'm not tired, and I can push through. If you tell yourself you're tired or if you will tell yourself you're sick, your body is going to follow the mind."

We are totally sure of the truth that God in His abundant love has been showering His special graces and blessings on Gonzaga College through the powerful intercession of our Patron St. Aloysius Gonzaga. And the equally vital component is the collective initiatives of the Gonzaga Family the management, the teaching and non teaching staff, the students, the parents and well wishers that will lead Gonzaga College to the highest level of relevance and excellence.

THANK YOU ONE AND ALL.
