Respected and Reverend Mother C. Noel Rani, FSAG, President of the 6th College Day Celebration, Distinguished and Honourable Prof. Dr. C. Swaminathan, Vice Chancellor, Periyar University, the Chief Guest of our College Day, Rev. Mother S. Ignatius, FSAG, the Superior of the Gonzaga Religious Community, Esteemed and Reverend Sisters of the Board of Management, Reverend Fathers and Brothers, Reverend Sisters, Respected Parents of our Students, Our loving Well Wishers and the beloved members of the Gonzaga Family, my heart is filled with joy and gratitude to God the Almighty and I deem it the unique privilege to present to you the Annual Report of Gonzaga College of Arts and Science for Women for the academic year 20142015 on the Sixth College Day Celebration.

ORIGIN AND PROGRESS OF GONZAGA

The noble charisma of the Congregation of the Franciscan Sisters of Saint Aloysius Gonzaga (FSAG) to empower women in the lowest stratum of society is being realised from the day of its foundation in 1775 by Rev. Fr. Michael Ansaldo, S.J. till today. Committed to render their dedicated services for the holistic and integral formation of the younger generation of girls in this backward region of Krishnagiri District, this Congregation established Gonzaga College of Arts and Science for Women in June 2009 with the glorious motto "EDUCATE TO EMPOWER" with the dual vital perspectives. The first is the access of opening the doors of Higher Education to all girls of this region irrespective of caste, creed, class and religion; and the second is the promotion of the best quality of Higher Education to the younger generation of women in our region blended with value-centred formation and utilisation of every opportunity.

The strength of the first batch of students (2009-2012) was just 160 in number with 9 Teaching Staff and 3 Non Teaching Staff in five under graduate courses B.A. English Literature, B.Com.(CA), B.C.A., B.Sc. Computer Science and B.Sc. Mathematics. Today our College has blossomed with 1542 students and 60 Teaching staff, 10 Office Staff and 26 Non-teaching Staff in two more under graduate courses, namely B.Sc. Physics (2010) and B.Sc. Chemistry (2011) and three post graduate courses M.A. English Literature (2012), M.Sc. Mathematics (2012) and M.Sc. Physics (2013). We have grown not merely in number and quantity but more in quality and excellence in every aspect of Higher Education in a steady and progressive manner.

THE DEDICATED AND MAGNANIMOUS MANAGEMENT

Ever since the inception of Gonzaga College, the Management has taken keen magnanimous initiatives with dedicated services to provide an excellent environment of academic, aesthetic, healthy, spiritual and peaceful atmosphere. I am sure of the fact that every stakeholder of our College is aware of the overall progressive steps of the Management. We acknowledge the meticulous planning and effective implementation of our programmes by the Management towards the sustainable development of our College.

Realising the preciousness of human resources, the Management has rightly invested the assets on strengthening the multifarious facets of empowering the staff and students by updating the curricular, co-curricular and extra- curricular perspectives of our College. Every academic year, we witness the fact of progress in the process of planned development in the campus. The present academic year is a living witness to the tremendous measures of development in the infrastructure, the laboratories of the Departments of Chemistry, Computer Science, Physics, Language Lab of the Department of English and the Library. The focus now is on creating updated facilities for promoting eco-friendly environment, academic programmes and comfort oriented facilities, such as creating new fresh green atmosphere, reorganising the extension programme units, furnishing the auditorium with appropriate electronic technologies, and constructing a modern and spacious canteen for the welfare of all of us.

The natural green and ever clean environment of the campus has been promoted through the continuous activities of the various units. We are able to achieve the excellent level of progress through the committed guidance of Rev. Mother A. Stella Mary, FSAG, Superior General of the Congregation in consolidation with collaboration of the Gonzaga religious community led by the Superior Rev. Sr. S. Ignatius, FSAG and the

College community led by the Secretary Rev. Sr. C. Noel Rani, FSAG. The dedicated and magnanimous initiatives of the Management has been resounding with the echo of "EDUCATE TO EMPOWER" in its every heart beat. On behalf of the Staff, Students, Parents, Well wishers of our College and everyone present here, I extend our cordial appreciation to all members of the Management Board assuring them of our continual cooperation and solid solidarity at all levels.

PROGRAMMES ORGANISED BY ASSOCIATIONS AND UNITS

Gonzaga gives special attention for the academic and holistic empowerment of students through integral and balanced formation in self discovery, self analysis, self esteem, self confidence and positive attitudes towards life and society. The academic programmes, co-curricular and extra-curricular programmes organised by the Associations and Units activate personality and leadership qualities of our students and promote social, cultural and spiritual ethos and values in them for the betterment of society at large by their active participation.

The Secretaries and Joint Secretaries of Associations and Units are elected as representatives from the respective Departments and by all of our students at large. With the guidance of the Management and the Faculty the students have access to utilise the opportunities offered to them to the optimum level. This process of empowering our students with knowledge and skills is given importance to transform them into architects of national development and integration with high level of intellectual, moral and spiritual values.

We celebrated the inauguration of all Associations on 9th July 2014 with Rev. Dr. Stanislaus, SDB, Rector and Secretary, Don Bosco College, Yelagiri Hills, Tirupattur as the Chief Guest of the Programme. The inauguration of the Extension Service Units Eco Club, National Service Scheme, Red Ribbon Club, Youth Red Cross, AICUF, Women's Cell was held on 20th August 2014. Mr. K. Selvaraj, President, Lion's Club, Bargur was the Chief Guest of the inaugural function wherein the Secretaries and Joint Secretaries took pledge to render their services for the Associations and Units and work towards national welfare and integration.

CONCLUSION

"Educate to Empower"

The seed that was sown for empowering the young women of Gonzaga College has sprouted to yield sustainable fruits in a short span of sweet six years. The historic journey of thousands of miles has just started with the first steps in the challenging environment of the women's world. I recall the heroic life and lively inspiration of Malala Yousafzai 2014 Nobel Peace Prize Winner, the youngest person among the people who have been honoured with this award.

Since the age of 9 years, Malala has been struggling hard to get her education and livelihood. She was shot in the head by terrorists who thought that they would change her aims and stop her ambitions. But nothing changed in her life except this: weakness, fear and hopelessness died. Strength, power and courage was born. In the words of Malala herself: "It is for those forgotten children who want education. It is for those frightened children who want peace. It is for those voiceless children who want change. I am here to stand up for their rights, raise their voice. It is not time to pity them. It is time to take action so it becomes the last time that we see a child deprived of education". She added "When the whole world is silent, even one voice becomes powerful". She is totally convinced of this tremendous fact: "The powerful nations are not those who have weapons, guns and bombs. The powerful nations are those who have educated society, human morals, education for everyone and equal rights for both genders female and male. Let us pick up our books and our pens. They are our most powerful weapons. One child, one teacher, one book and one pen can change the world".

Malala who is just 17 years young, has touched the life of every helpless and uneducated child as a worldwide symbol of peace and empowerment. She has joyfully accepted many International awards and Prizes and generously dedicated them to empower the powerless children and women who are still far from schools and education. GONZAGA is not a mere fictitious story but a true history and power house to mould and form countless young girls who will transform the society at the micro and macro levels and thus realise the motto "**EDUCATE TO EMPOWER**".

We thank God the Almighty for the numerous graces and special blessings received from Him through the powerful intercession of our Patron St. Aloysius Gonzaga all through the past, particularly during the academic year 20142015. In solidarity with the collective initiatives and collaborative endeavours of the Gonzaga Family the Management, the Teaching Staff, the NonTeaching staff, the Students with their parents and all the well wishers, we will achieve greater heights and reach our goals in a splendid, spectacular and stupendous style.

MAY GOD THE ALMIGHTY BLESS US ALWAYS
THANK YOU ONE AND ALL
