EDUCATE TO EMPOWER

"The importance of education is not only in knowledge and skill but it is to help us to live with others" - Dr. S. Radhakrishnan said. The aim of Christian education adds "also to live for others". So that is the aim of our Gonzaga College: "Educate to Empower". To make students improve in knowledge and skill but also to train them to live with others and live for others. When I observed at the past 9 months here in this college I feel happy and proud the process has been started and we are slowly achieving this end.

TOGETHER TOWARDS TOMORROW

Education is a team work and prepares all the students for future team work in family, village, and in the nation. It is a work "together towards tomorrow". Every institution needs the support and co-operation of the administration, the teaching staff, the non-teaching staff, the students, and of course the parents and well wishers. I should say, I had the support of all these people for the past 9 months.

ADMINISTRATION THAT SERVES

I should thank the Administration, Rev. Mother General, the founder and visionary of this college is here with us today. Not only today but at every stage of our life and growth. She has been visiting us regularly, encouraging and guiding us in all our endeavors. Every grass, every stone, and every person here will speak of her touch and attention. I thank you Mother and also seek your continuous inspiration and support also that of your team members.

I like to congratulate and thank the local administration, Rev. Sr. Ignatius, Mother superior, quiet and peaceful, Sr. Agnes, administrator, energetic and all pervading, Sr. Glitta, vice – principal, always happy and ready to serve, Sr. Rani, office Superintendent, strict and guiding others. Sr. Santha Maria, Librarian, always among the books and among the students. All of you have impressed and influenced the students as well as parents and made them march towards growth.

TEACHERS YOUR WORK IS LOVE MADE VISIBLE

"It is time for greatness not greed, compassion not mere words, discipline that converts talents into ability" This is what a teacher is and should he say Maïam W. Edbman. To put it in other words, words of Khalil Gibran, their "work is love made visible". Our teachers were experienced, committed and ready to reach out to the students. If students are growing in knowledge and skills. It is due to the tireless effort of the teaching staff. Also of the dedicated non – teaching staff and management staff.

I must make special reference to those who served the institution and went elsewhere for better pasture or in marriage. Sr. Sophia, FSAG, who was working in the office and went to become Headmistress in Madurantagam. Miss. Kanchana, HOD Dept of Commerce, Sr. Arockia Gracy, FSAG, HOD, Dept of English who went to become Vice Principal, St. Joseph's HSS, Suramangalam, Salem. Miss. Lavanya, dept of physics, went to get married. Miss. Saranya, HOD, Dept of Computer Science, got married. Mrs. Jegatha, who was teaching for 3 months in place of Mrs. Savitha, HOD, Department of Tamil, left due to ill health. Mrs. Sheela, working in office, left us for treatment.

Special congrats to Miss. Suja who put in 100% attendance and served in the department of Tamil.

PARENTS GIVE TIME

There is no school equal to home, and no teacher equal to honest and virtuous parents", said Mahatma Gandhi. Parents! you are the best teachers to your children and your role is very important for the growth and future of them. Your co – operation with the college administration is absolutely necessary for the sake of your children. Keep following the progress and activities of your children. Please pay the semester fees on time so that we can provide them with all the facilities needed by way of laboratories, transport etc. that is not enough spend them. "Parents are prove to provide everything other than what they need – Time". Emma Herbert Says.

THE FALLEN FLOWERS

At this moment I would like to pay homage to two of our students who died and left us eternally during this year: Miss. Christina B.A. II year and Miss. Ganga B.Sc. Maths II year. May their souls rest in peace. We are with the parents and relatives in their sorrow. We request the parents to be with children in their failures and guide them to success.

FACILITIES ADDED

Small canteen was inaugurated in September 2010. An athletics track and playgrounds also laid on in September 2010. Browsing centre began in January 2011. Dining Hall for day scholar students on the way. A small dining and better kitchen for the hostel students prepared in June 2010.

GENEROUS HEARTS

The college depends upon well – wishers. "Giving to poor man's enriches the rich man's store" English proverb. "The miracle is: the more we share the more we have" Leonard Nimoy says. We are grateful to the people who have generously contributed to the college through endowments. They help the students to shine and achieve in various fields, we like to remember Mr. Santhanam pillai, Mr.Ravi kumar, Mr. Kulandei Francis, Mr. Paul Vincent, Mr. D. Kulandai samy Mudaliyar, Prayer Barn, Mrs. Maria Anthoniammal and Mr. Selvappan.

CARRY THE TORCH OF LIFE

"When is a person educated? When he knows how to live, how to love, how to pray and how to behave differently" – Joseph Fort Newton concludes. "A person is educated when he/she has to power to appreciate life" says Brigham Young. Dear friends, appreciate life, live differently, and enjoy the world you are living in. don't forget to carry the torch of your life as brightly as you can before you hand over to the next generation.
