FACILITIES FOR DIFFERENTLY-ABLED

Facilities for differently - abled

Gonzaga College of Arts and Science for Women is dedicated to creating an inclusive and accessible environment for all its students, including those with disabilities. The college ensures that facilities and support systems are in place to empower differently-abled individuals and provide them with equal opportunities for education and personal development.

1. Physical Accessibility

- **Ramps and Railings:** All campus buildings are equipped with ramps and railings to provide easy access to wheelchairs and individuals with mobility challenges.
 - **Elevators:** Elevators are available in multi-story buildings to facilitate movement for differently-abled individuals.
 - **Accessible Restrooms:** Specially designed restrooms with adequate space and support bars are provided for differently-abled individuals.
-

2. Assistive Devices

- **Wheelchair:** The college provides wheelchair for students who require mobility assistance.
-

3. Academic Support

- **Specialized Counseling:** Professional counselors and mentors are available to support differently-abled students in their academic and personal growth.
 - **Individualized Learning Plans (ILPs):** Faculty members offer personalized teaching strategies and materials tailored to the specific needs of differently-abled students.
 - **Examination Assistance:** Provisions such as extra time, scribes, and digital exams are made available for students with disabilities.
-

4. Inclusive Environment

- **Sensitization Workshops:** Regular workshops are conducted to create awareness and promote an inclusive culture among students, faculty, and staff.
 - **Peer Support Programs:** Differently-abled students are paired with peers who offer assistance and companionship, fostering a sense of belonging.
-

7. Grievance Redressal Cell

- A dedicated grievance redressal cell for differently-abled students addresses their concerns and ensures that their voices are heard and acted upon.
-

8. Scholarships and Financial Assistance

- Special scholarships and financial assistance programs are offered to differently-abled students to support their educational journey.
-

9. Collaboration with NGOs and Government Bodies

- The college collaborates with NGOs and government organizations to enhance facilities and opportunities for differently-abled individuals.

By providing these facilities and fostering a supportive environment, Gonzaga College of Arts and Science for Women is committed to empowering differently-abled students to achieve their academic and personal goals with dignity and independence.
