Health Facilities

At Gonzaga College of Arts and Science for Women, we prioritize the health and well-being of our students, faculty, and staff. The college is committed to fostering a healthy campus environment by providing accessible, reliable, and comprehensive healthcare facilities. Below are the key health services and initiatives available at the college:

1. On-Campus First Aid Center

- A well-equipped first aid room is available for immediate medical assistance.
 - Trained staff are present to handle minor injuries, illnesses, and emergencies.
 - Basic medical supplies, including bandages, antiseptics, pain relievers, and emergency kits, are readily available.
-

2. Visiting Medical Professionals

- The college collaborates with certified doctors and healthcare practitioners who visit the campus regularly.
 - Health check-ups and consultations are arranged to monitor the physical and mental health of students and staff.
-

3. Transportation facilities

- Transportation facilities are available for transferring individuals to healthcare centers in case of emergencies.
-

4. Counseling Services

- Professional counselors are available to support mental health and well-being.
 - Regular workshops and sessions are conducted to address issues like stress management, emotional well-being, and peer relationships.
-

5. Health Awareness Programs

- Periodic health and wellness campaigns are organized, focusing on:
 - Nutrition and fitness.

- Hygiene and sanitation.
 - Preventive measures for common illnesses.
 - Awareness about communicable and non-communicable diseases.
-

6. Fitness and Recreational Facilities

- The campus includes a gymnasium and spaces for yoga and meditation to promote physical and mental fitness.
 - Regular fitness sessions and sports activities are organized for students and staff.
-

7. Hygiene and Sanitation Measures

- Clean and hygienic restrooms with proper sanitation facilities are maintained across the campus.
 - Regular cleaning and fumigation of campus areas ensure a healthy environment.
 - Clean drinking water is provided through multiple water purification systems.
-

8. Health Insurance and Financial Support

- Staff avail ESI, which is a health insurance plan designed to offer Indian workers medical and cash benefits.
 - Financial assistance is provided to those in need for critical medical situations, as per institutional policies.
-

By ensuring these health facilities and initiatives, Gonzaga College of Arts and Science for Women remains committed to the holistic development and well-being of every member of its community.
